LEARN HOW TO PREPARE FOR THE POSSIBILITY OF LITIGATION.

This course covers the many topics leading up to, during, and following litigation and what the community manager can do to be prepared for any situation. Topics include:

- Preparing and responding to the possibility, likelihood, and reality of litigation
- Understanding the discovery process
- Selecting, preparing, and rebutting expert witnesses
- Using alternative dispute resolution
- Preparing for trial and testifying in court
- Evaluating post-trial realities and options
